

PACKING SHED TRUST

(Registered Charity No.1040239)

Rules for the use of the Shed and the Island

1. Children under 14 must be carefully supervised at all times.
2. Smoking and naked flames are not permitted at any time anywhere in or near the shed because of its flammable structure. Cooking may be carried out using the microwave and kettles only.
3. Barbecues are permitted on the beach at a safe distance from the shed and must be supervised at **ALL** times.
4. There are three fire extinguishers in the shed and users should familiarise themselves with their locations and instructions for use.
5. All users must respect the fragile nature of the ecology of the island. During the nesting season (April, May and June) birds and their nests should not be approached. "Nests" are often no more than a scrape or hollow in a pebble or shell bank, just above the summer high tide line and are not obvious.
6. The Union Flag should be hoisted on the flagpole to signify approved use of the shed. The flag must be lowered and replaced in the shed prior to departure.
7. Before departure: all the tables and surfaces must be wiped, the floor swept, the toilet cleaned and litter collected from the surrounding area so that the Shed is left in good, clean condition.
8. All doors and windows must be fastened securely
9. Users must provide their own rubbish bags and take all rubbish back to the mainland for disposal.
10. Any damage to the shed or defects found during visit should be reported to the Booking Secretary as soon as possible.
11. Loud music is not allowed after 10.00 pm in any circumstances.
12. The user is responsible for moving the access jetty on the island up and down on the beach to match the height of the tide with the launches. On completion of the event, users must ensure that they leave the jetty in its stowed position. This will require at least 4 able bodied people
